## Jutta Naim

"My work has been exhibited in various galleries in Israel between 1995-2005 and is displayed in private homes in Israel, Germany, and Canada. Today my home is in Cherry Valley, Ontario, where I reside with my husband. I am an active board member of the Prince Edward County Arts Council, since 2010, and facilitate "Art in Motion", a weekly creative movement and dance meditation. I look back on many years of untiring commitment of learning while working, clinically and dynamically, with persons, including myself, in search of living a more meaningful live."
